

OIL NOTES

(From Woodward Democrat)

Wildcatting in northwest Oklahoma Texas Panhandle and southwest Kansas is in full swing. This condition is brought about by the oil and gas showing at Liberal, Kansas, Panhandle and Gage, Oklahoma and the well north of Granite, Oklahoma.

Panhandle City, Texas—Gulf No. 2 found oil at 2900. This was cased off and at 3015 feet the second sand was reached. The drillers under orders suspended work until the officers of the company could reach the well and direct operations. A gas strata developed between the two sands.

Granite, Okla.—A big gas producer was brought in about two miles north of Granite.

Gage, Okla.—At 1300 feet the Chicago-Oklahoma has a showing of gas and oil in their well, nine miles south of Gage.

Gate, Okla.—Farmers contributing money to shoot the well.

Higgins, Texas—Underreaming at \$840 to carry 6 1/2 inch casing to bottom of hole, when drilling will be resumed. The company can go to 5000 feet. The structure is now blue shale. The drill has gone through 100 feet of lime.

Liberal, Kansas—Changing from a Rotary to a Standard at Traders Vici and Buffalo.—No reports.

The finding of oil and gas in the Gulf well near Panhandle, Texas, has given encouragement to the wildcat test; work is resumed on many wells that were waiting results. Oil leases are renewed and active conditions exist in very location.

EUREKA ITEMS

We are having some windy weather and the wheat needs rain.

Mr. and Mrs. C. E. Morehouse spent Sunday with their daughter, Mrs. W. T. Capps of Tyrone and Mr. and Mrs. C. H. Morehouse, Mr. and Mrs. Will Delay and Mrs. W. A. King and Mrs. W. H. Capps called in the afternoon.

Chas. Newman lost a cow last week. He thought it had been bitten by a snake.

Elbert King is improving. He was able to drive to Liberal Friday.

We will have another number of the lecture course Friday night.

We have a contest on at our Sunday school and our captains are Miss Lyle Shaw and Mrs. Curtis Newman. We must all do our part to get more interest.

Little Helen Riney who has scarlet fever is getting along nicely now. She is able to sit up in bed. Others of the family are now taken it.

On Thursday of last week the aid met at the church all day and quilted for Mrs. F. Simmons. They met this Thursday and quilted for Mrs. C. A. Myers.

Mrs. W. T. Capps was in Liberal Tuesday to get some teeth extracted. Her mother, Mrs. C. E. Morehead accompanied her.

NEW ROCK ISLAND TIME CARD

A new time card on the Rock Island will be out next Sunday. There will be no change in time of trains through Liberal. The chief change will be west of here, the time changing at Tucumcari, N. M., instead of Liberal as in the past.

Mrs. W. E. Niles and children are moving to Liberal where Mr. Niles has a position in a bakery. Their home on 6th street will be occupied by C. E. Cassel.—Garden City Herald

Mr. and Mrs. E. C. Pile have returned from a six-weeks trip to Mt. Blood, Arkansas. Mr. Pile says he took three baths a day while there and while he feels that his health has been benefitted he is still terribly weak.

Dr. D. B. HARDY
Graduate Veterinarian
Phone 3405
Liberal, Kansas

Miss Iva Norris is working at the Greenberg store this week.

Jay T. Morris and wife of Perryton were in the city Monday.

W. A. Custer of Satanta was a business visitor in the city Tuesday.

Capt. Hilyard of Co. E. K. N. G., was called east on business Tuesday.

Mrs. Ray Meyer underwent a minor operation at a local hospital Sunday.

William Hunter made a business trip to the eastern part of the state last week.

R. H. Tepner of Dombey was in Liberal Saturday looking after business matters.

The ladies of the Christian church will give a food sale Saturday April 16th at George Grocery.

K. H. Hohene and Fred Erick of Elkhart were in Liberal Monday looking after business matters.

J. C. Wood of Cimarron county, Oklahoma, is here visiting his brother, Butler and other relatives.

Mrs. W. H. Culver who was threatened with pneumonia the first of the week is slightly improved.

The warm days of spring is bringing the insects to life and now is the accepted time to put up screens.

Mrs. E. K. Richardson passed thru Tuesday on her way home to Hooker after a visit with relatives in Kismet.

Forrest Chamberlain who was operated on at a local hospital last week for appendicitis is improving rapidly.

Mr. Meyer, teacher in the Liberal high school, went to Belle Plaine, Friday to spend the week end with relatives.

Miss Myrtle Stout returned Saturday from Haviland where she had been for a short visit with relatives and friends.

Chas. Alford, third trick hostler, is ill with the flu. His many friends hope for a speedy recovery. Mr. Hayes came in Monday from Dalhart, to take Mr. Alford's place.

Mrs. W. H. Rains of Elkhart came over Tuesday to take the train to Kingfisher, Okla., where she was called on account of the illness of her daughter Mrs. J. B. Campbell.

The Sanford Cafe has added a new feature to its menu—the club breakfast. This menu is well selected giving one a choice from six breakfasts, the food varied to suit the taste and also to suit the pocketbook.

Mr. and Mrs. Thomas C. Simmons of Clyde, Okla., were the guests of Mr. and Mrs. Thomas Bushnell and Mr. and Mrs. D. E. Hemphill this week. They are en route from California. Mr. Simmons is an interesting person, he is an old soldier and also is a personal friend of President Harding.

M. F. Fitzgibbons, construction engineer of the National Tile Silo Company, has recently completed a 7,000 gallon National Tile Tank for J. B. Groves, 17 miles southeast of Liberal, the tile having been sold by O. D. Nickel, the local agent. Mr. Nickel has sold several more of these tanks which Mr. Fitzgibbons will build while here.

Miss Mabel Evans is here spending a week at the home of her parents, Mr. and Mrs. J. N. Evans. Mabel is teaching at Grainfield, Kansas, and one day last week while riding horseback she was thrown, the horse stepping upon her right ankle inflicting a painful bruise. She came home to recuperate from her injury which, while not serious, is causing her much discomfort.

COMMISSIONERS' PROCEEDINGS

Office of the County Clerk, Seward County, Kansas, April 4, 1921.

Liberal township 90.00

The Board having previously viewed the road petitioned for by G. O. Lower and others of Fargo township reported favorably thereon, and thereupon ordered that said road be opened to the public as prayed for in the petition. Road to be a township road, sixty feet wide. There being no further business the Board adjourned.

The Board, having previously viewed the road petitioned for by

Frank Leard and others of Fargo township reported favorably thereon, and thereupon ordered that said road be opened to the public as prayed for in the petition. Road to be a township road, sixty feet wide. There being no further business the Board adjourned.

Attest:
W. W. ANTRIM,
Chairman
Abe K. Stouffer, County Clerk.

"Come at Once"

Have you ever received this message in the middle of the night?

Perhaps it concerned someone dear to you lying ill in the hospital.

Messages like that have a way of arriving in the middle of the night. Grim, urgent, fearsome messages!

But the fact that it is night does not cripple your quick answer to that call.

Instantly, with one movement of your hand, your house is lighted, making great speed possible. On the way to the hospital the streets, with their brilliant lamps, give you encouragement. The world is not so dark a place after all.

The great hospital, itself, is throbbing with activity.

Science, surgeons, nurses no longer wait for daytime to aid them in relieving pain—in saving lives.

The operating room, with its great white lights and the X-ray apparatus, is as busy at two in the morning as at ten.

The marvelous advance in delicate surgery is due in no small degree to the recent application of electricity to the needs of science.

Out of your anxiety on such a night comes a realization of how electricity is helping you, and helping that loved one in the hospital.

Behind all this light—what? Every single electric bulb in the country glows against the background of huge dams and water turbines (in the case of water power), or the tremendous boilers, turbines, engines and generators (in steam plants) and against the wires of high-tension transmission lines and the innumerable smaller wires stretching like a web from your very bedside out over the whole country.

And still behind these—what?

A thrilling story of thrift and investment. The story of some 1,450,000 men and women who by their thrift are investing millions of dollars in the electric light and power industry. These investors not only provide for themselves a steady income, but for their fellow citizens a service that today is an absolute necessity to our business and social life.
